

Sanjiv Aggarwal

CEO & MANAGING DIRECTOR

Bringing over 35 years of expertise, Mr. Aggarwal has deep experience in the infrastructure and energy sectors with a proven track record of fostering sustainable growth and investment.

Before his appointment as CEO & MD of NIIFL in February 2024, Mr Aggarwal worked with Actis, a leading global investor in sustainable infrastructure, where he joined in 2008, and became a partner in 2010. He led Actis' energy business in Asia and established Actis as a leading foreign investor in Indian renewables. He also started Actis' energy investing business in South East Asia and Japan.

Prior to his tenure at Actis, Mr. Aggarwal worked with Citigroup and ANZ Investment Bank in the Indian energy and infrastructure sectors. This background has equipped him with a deep understanding of the challenges and opportunities within these critical industries.

Mr. Aggarwal has a B. Tech (Hons) in Mining Engineering and a distinguished alumnus award from IIT (ISM) Dhanbad (formerly Indian School of Mines, Dhanbad), as well as a PGDBM from XLRI Jamshedpur.
